8.1.5.4.4 Draw

The draw for the World Aquatics Masters Championships shall be made at least one month prior to start of the Water Polo competition. The seeding for the draw for the preliminary rounds shall be based on the placing at the previous World Aquatics Masters Championships as follows:

With two groups in the age group:

First line, the best and second best placed of the entered teams from the previous Championships,

Second line, two of the next best placed of the entered teams from the previous Championships,

The rest of the entered teams shall be placed in groups by a random draw.

With four groups in the age group:

First line, four of the best placed of the entered teams from the previous Championships,

The rest of the entered teams shall be placed in groups by a random draw.

Teams from the same country should not be drawn in the same group, if possible

The World Aquatics Masters Commission can decide, if needed, on additional criteria as base for the draw.

8.1.5.5 Artistic Swimming

In World Aquatics Masters Championships a club may enter in Solo, Solo Tech Duet, Mixed Duet, Team and Free Combination in each age group.

A competitor can take part in only one Duet, Mixed Duet, Team and one Free Combination.

A female competitor can take part in both Duet and Mixed Duet.

Changes in names of competitors for a routine must be received by the Chief Recorder at least 14 days prior to the first event of the Artistic Swimming competition. The new competitor must have already registered for the competition with the organising committee.

The reserves listed in a routine must be of an age that any combination of the listed competitors would result in swimming in the same age group.

Any changes in reserves must be handed to the Chief Recorder in writing at least two hours prior to the listed start time for the age group routine. Changes after this can only be made in the case of sudden illness of or an accident to a competitor and if the reserve is ready to compete without delaying the competition.

A competitor may be listed as a reserve on more than one routine in an age group event. However, once a competitor swims in one routine, that competitor is ineligible to swim in another routine in the same age group event.

Failure to notify the Chief Recorder of substitution and/or scratches shall result in disqualification of the routine.

8.1.5.5.1 Order of Appearance

For the World Aquatics Masters Championships, a computer draw for the Technical Routines shall be done by the Chief Recorder at least 24 hours before the Technical Meeting.

The order of the draw shall be Team, Free Combination, Duet and Solo.

When a competitor(s) draws start number one (1) in a Technical Routine, they will be exempted from drawing start number one (1) in another Technical Routine in the same Age Group, if possible.

Swimming number one (1) in a Technical Routine does not make a routine exempt from swimming number one (1) in the Free Routine in the same event.

The order of appearance for the Free Routines in each age group shall be determined by the results of the Technical Routines for that age group event and shall be swum in groups of 6 competitors.

If the number of competitors is not divisible by 6, the smallest group shall start first.

If there are fewer than 12 entries in an age group event, the draw will be in two equal groups, the smallest group start first.

If there is a tie in the placement in an age group event which overlaps two groups, those competitors shall form a group of their own and swim between the original groups.

For each age group event, the lowest scoring competitors in the Technical Routine will swim in the first group and the highest scoring competitors will swim in the last group.

Within each age group in each event, the highest scoring competitor in the Technical Routine for that age group and event shall draw first, with the next competitors drawing in order of Technical Routine placement. In the case of ties, the order of draw shall be based on the Technical Routine start number, with the lowest start number drawing first.
